Subject: RE: Request for Proposal

I offer the following for consideration regarding budgeting:

- Drainage Impact Analysis Study (*if required by City*)
 - \$3,000 Estimated
- Standard Basic Engineering Design Services (*Preliminary though Final Design*)
 - \$5,000 to \$7,500 Estimated
- Construction Administrator and Construction Closeout Services (*Optional*)
 - \$7,500 Estimated (*Very dependent on contractor's construction quality and capabilities*)
- Resident Project Representative Services (*Inspection*) (*Optional*)
 - \$5,000 Estimated

Let me know of any other questions. Thanks.

Byron D. Racca, P.E.
